

NEW STUDENT ARRIVAL TIMES BEGINNING SEPTEMBER 7, 2021

Beginning Tuesday, September 7, 2021, the MASD will implement new STUDENT arrival times. Beginning Tuesday, the doors to the Elementary and Junior/Senior High School will open for students at 7:40 AM. Students will not be allowed to enter community schools prior to that time. Upon arrival students will be given a packaged breakfast. Students will progress to their respective homerooms where they will complete their meals.

This change to our school operating schedule is being undertaken to reduce opportunities for close contact between students and across grade-levels. The MASD is imposing this mitigation strategy to minimize the spread of COVID 19 and to maintain the health, safety, and welfare of faculty, staff, and students.

Please plan accordingly.

Your flexibility and partnership is GREATLY appreciated!

Stronger TOGETHER...Quaker STRONG!
