

Financial Aid Assistance Webinars – January

Presented by PHEAA: Understanding the Financial Aid Offer & Balances

The Financial Aid Offer, or Financing Plans, that you receive to provide an idea of the costs associated with attending post secondary education can be confusing as each school formats their information differently. PHEAA, represented by Linda Pacewicz and Daniel Wray of PA Forward are offering a one hour webinar to assist in understanding and navigating through the types of Aid listed, what you are being offered and identifying the balances and next steps needed. Q&A interaction is encouraged.

Presented by PHEAA: Borrowing for Education – Which Loan Should I Pick?

As families receive their financial offer letters from schools and determine that education loans may be needed, they'll find that there are many options to consider – including loans from the Department of Education and private loan programs. Doing the research and knowing what to compare and consider will be important to overall education debt, keeping it affordable, and finding the right fit. Join Daniel Wray and Linda Pacewicz of PHEAA PA Forward in a one hour webinar review of the different options and details associated with education loans to assist in sorting out this information.
